

**SAFER TOWING. FAST, EFFICIENT, FREE.**

**WITH CURBSIDE SOS, YOU CAN DISPATCH THE CLOSEST TOWING SERVICE EVERY TIME.**

## Clear roads faster, for free

Really. We won't take a penny from Police Dispatch or Tow Companies for local dispatch jobs because we see the need to improve safety by clearing roads faster. And technology can do that more efficiently than phone calls.

Safety first. Your top priority is our top priority. We ensure the quickest available tow to reduce roadside wait times.

With one click, reach every nearby tow operator. If they are registered, available, and their ETA is within the limit you set, each can bid on any job. No more call lists or dedicated days.

You own the data and towing eligibility, we just help manage it.

### GPS tracking, transparent ETA

You have continuous visibility of each truck's real-time ETA, so everyone is better informed and secure.

### You set the requirements

Customize job requirements like equipment needed, maximum fees, or special circumstances.

### When automatic isn't enough

The entire flow is automated by default, but you still call the shots. You can intervene manually at any time.

### Tow operators are informed

They can see job details and notes, get directions, and update job status in our app.

### Complete, reliable records

All job details are saved as digital records that can be searched and shared.

### In this case, more is more

When a tow is needed near boundary lines, you can dispatch tow companies from other districts.

A screenshot of the CURBSIDE SOS mobile application. The interface is divided into several sections. On the left, there's a form for 'Order new tow' with fields for 'Vehicle information', 'Specify location', 'Additional remarks', and 'Incident details'. Below the form are 'SUBMIT ORDER' and 'CANCEL ORDER' buttons. On the right, there's a list of 'NEW TOW ORDER' items with columns for location, time, department, and status. A map on the far right shows the current location and nearby areas.

Location	Time	Department	Status
120th Ave / Polk St	3:29 Remains, 2 vehicles, 1 quote received		Just now New
Walmart Parking Lot	Chevy Trailblazer 35 min Chevy Silverado 18 min	John's Tri-City	12 min ago In progress
Port Sheldon St / US-31	Mercedes CLK 4 min	Dick's	8 min ago In progress
M-104 / N Fruitport Rd	Volkswagen Tiguan 24 min Ford F150 Special 59 min	Lakeside KML	44 min ago In progress
M-104 / N Fruitport Rd	Volkswagen Tiguan 24 min Ford F150 Special Unassigned	Lakeside Waiting for wreckers	44 min ago Pending

**OPENING SOON TO ALL MICHIGAN DISPATCH LOCATIONS**
